"Glad That I Lost You"

You wonder why I never think you understand
Because it seems like you're not listening
I laugh aloud then suddenly I disappear in to another
place
I'm glad that I lost you

Glad that I lost you

You push me down but I get right back up off the
ground
You'd think you would get it right
I'm glad that I lost you
I'll tape my mouth shut or I'll close my mouth and bite
my tongue
I bet you wish I could
Im glad that I lost you

I took your picture from my wall
Replaced it with a poster of The Dolls
I play my records loud so I ca'nt hear you when you call
