She sits so quietly  
At the window by the door  
Wondering if she'll  
Ever smile again  
Her eyes filled with memories  
And her life in sad array  
Unaware of the colours of the day  
She dare not cry for fear  
Her hope might disappear  
But if she cared to try  
I know it all could be so clear

But she's living in the past  
She didn't know it wouldn't last  
And it's a long, long, lonely road  
Oh, to go down

The treasured names  
You call each other just for fun  
And as you woke  
She kissed your eyes  
You killed it all when it had  
Only just begun  
What's it take to make you realise

Love isn't easy though  
Many like to think it is  
But you must learn  
To give and take or know  
What you will miss

But she's living in the past  
She didn't know it wouldn't last  
And it's a long, long, lonely road  
Oh, to go down
