### "Hold On"

I know you're going through a rough time  
Don't be afraid, I've been there too  
I can't tell you what to do, but after all  
I will be right behind you to catch you if you fall

Hold on, hold on  
Life is a gift, don't you dare to throw it away

If you could see yourself from my eyes  
That would a smile upon your face  
You would feel strong enough to make it through  
And you would walk on with your head held high

Hold on, hold on  
Life is a gift, don't you dare to throw it away
