Old school

Never lose my wallet, it would put me in a spot  
Never lose my sense, at least how much I've got  
Never lose my family, never lose my friend  
Never lose my youth, I hope it never ends  
Hope I never lose my wallet

And hell I hope [Incomprehensible] and only time will  
tell I  
(Never lose my mind)  
Or I'll lose myself somewhere, not too far from here  
that  
(Nobody can find)

Never lose my hair, I would hate to go without  
Never lose direction and wander all about  
Never lose my courage, never lose my hope  
Never lose my girl, it would make it hard to cope  
Hope I never lose my wallet

And last of all, not least of all I  
(Never lose my mind)  
Or lose myself somewhere, not too far from here that  
(Nobody can find)  
Hope I never lose my wallet

Hope I never lose my wallet  
Never lose my wallet  
(Hope I never lose my wallet)  
Hope I never lose my wallet  
Hope I never lose my wallet  
Well, hope I never lose my wallet  
Yeah yeah yeah yeah
