(And Left My Heart Alone)

I wish you could have turned my head and left my heart  
alone

Ever since I met you, baby, you have done me wrong.  
You walk by and you shake that thing and you know I'm  
not that strong,

But I wish you could have turned my head and left my  
heart alone.

First time I laid eyes on you, got caught up in your  
sway;

Thought I didn't have a chance and then you looked my  
way.

From the longin' to the lovin', girl, we've made it all the  
way,

But for all the hunger in my eyes my heart has had to  
pay.
