We are the lazy generation  
No more standing out in line  
So good at wasting our time

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now

Stand up and shout  
We wont be there for you  
(Hey hey hey hey hey lets go)

We are the lazy generation  
They call us social mutations why  
You can just drop dead and die

Nothing we do ever seems to matter  
Just like gold on a silver platter shines  
Yeah you know just where we stand

Stand up and shout  
We wont be there for you  
Hey hey hey hey hey lets go

Stand up and shout  
We wont be there for you  
Hey hey hey hey hey lets go

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now

We are the lazy generation  
We are the lazy generation

We are the lazy generation  
Now

Stand up and shout  
We wont be there for you  
Hey hey hey hey hey lets go

Stand up and shout  
We wont be there for you  
Hey hey hey hey hey lets go

We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now
