Hold the phone,
But don't hold your breath,
This is not a test,
It's not a question,
Of what I feel for you...

Oh, and I'm sorry too,
Did we go too far,
Too far to return,
To the way things were...

But remember
Those nights that I spent in your arms,
Feelings so wonderful,
I wonder where they've gone.

But i can't find the reason why,
Why i've run away from you,
Why i've run away

So tonight,
When I look you straight in the eyes,
And conversation runs dry,
And I say nothing,
Nothing...

But remember
Those nights that i spent in your arms,
Feelings so wonderful,
I wonder where they've gone

But i can't find the reason why,
Why i've run away from you,
Why i've run away

But I know,
You would never hurt me,
The way I hurt you...

But i know,
You would never hurt me,

The way i hurt you...

But i can't find the reason why,
Why i've run away from you,
Run away from you
