I feel your love all around me  
Even when your not here  
Casue I got enough loving to last for always  
I never fear  
Caressing your body from a distance  
I feel hot wet  
Cold sweat  
Piercing eyes I wont forget  
Cause you give me fever  
A fire that burns within

We got a love connection baby  
A bond so strong it  
Will never die  
We got a love connection baby baby an everlasting  
Everloving tie  
We got a love connection true devotion  
Object of my emotion  
We got a love connection baby  
Wont forget no regrets cause  
I love you.

Don't need a phone to hear you call me  
You got a line to my heart  
Whenever I need a little loving baby  
You?re never far  
Extasy comes to me  
Like the trees full of need  
You?ll always be the one  
Cause you give me fever  
A fire that burns within

We got a love connection baby  
A bond so strong it  
Will never die  
We got a love connection baby baby an everlasting  
Everloving tie  
We got a love connection true devotion  
Object of my emotion  
We got a love connection baby  
Wont forget no regrets cause

I love you.
