Why should a woman who is healthy and strong
Blubber like a baby cause her man's gone away
A weepin' and a whalin' that he's done her wrong
That's one thing you'll never hear me say!
Never gonna think that the man I lose
Is the only man among men!
I'll snap my fingers to show I don't care
I'll buy me a brand new dress to wear
I'll scrub my neck
And I'll brush my hair
And start all over again

Many a new face will please my eye
Many a new love will find me
Never have I once looked back to sigh
Over the romance behind me
Many a new day will dawn before I do

Many a like lad may kiss and fly
A kiss gone is bygone
Never have I asked an August sky
'Where has last July gone?'
Never have I wondered through the rye
Wondering where has some guy gone
Many a new day will dawn before I do

Many a new face will please my eye
Many a new love will find me
Never have I once looked back to sigh
Over the romance behind me
Many a new day will dawn before I do!

Never have I chased the honeybee
Who carelessly conjoled me
Somebody just as sweet as he
Cheered me and consoled me
Never have I wept into my tea
Over the deal someone doled me

Many a new day will dawn

Many a red sun will set
Many a blue moon will shine
Before I do!

Many a new face will please my eye
Many a new love will find me
Never have I once looked back to sigh
Over the romance behind me
Many a new day will dawn before I do!

Never have I chased the honeybee
Who carelessly conjoled me
Somebody just as sweet as he
Cheered me and consoled me
Many a new day will dawn

Many a red sun will set
Many a blue moon will shine
Before I do
