After every show it's tomatoes galore  
Something inside me says, "I can't do this anymore."  
The mail that I get screams: NO NO NO NO  
By the end of the night I'm ready to stop

Chorus  
My darling fans (x3)  
Buy all my stuff  
My darling fans(x3)  
I need money

Before every show it's autographs galore  
Something inside me says, "Why don't I do this more?"  
When I try to quit I get: NO NO NO NO  
By the end of the night I'm ready to start

Chorus

Please buy more I need money  
Please buy more I like money (x2)

Chorus
