Without any training  
It's pouring,  
It's raining  
Training or a trade  
Hey, you bet I'm afraid  
Unequipped with a skill  
But I'm thrilled with the thrill  
Underskilled, unprepared  
Hey, who wouldn't be scared

(Chorus)

A dime for a dozen  
If that's what you're after  
A moment of silence  
A lifetime of laughter

Bring on the obstacles  
And burn me a bridge  
I'm not sure, should I call  
This a range or a ridge?  
There ain't none too high  
If I'm up for the climb  
I'll go zero to sixty  
And stop on a dime

(Chorus)

A dime for a dozen  
If that's what you're after  
A moment of silence  
A lifetime of laughter

On the brighter side  
And on a happier note  
The noise, well it's just love  
That gets caught in my throat

The end of the line's  
Not the end of the rope  
Just a salesman selling  
A bucket of hope  
When the bucket gets kicked  
And my chips are all cashed

My intentions, conventions  
Are finally smashed

(Chorus)  
A dime for a dozen  
If that's what you're after  
A moment of silence  
A lifetime of laughter
