Crazy yeah  
Listen to the words you hear your heart

Tell me it's calling my need  
If loneliness is only you have ever witnessed  
And I think that it's time for a change

Pre Chorus:  
If I told you that your future holds plays for you and me  
Would you keep up being lonely  
Take my word and follow me  
Girl I see you when I'm dreaming I think about you  
every day  
Baby let me take your pain away

Chorus:  
Girl you know you got me going outta my head  
I can't believe it's like this you don't wanna be happy  
It's like you rather be me  
Baby you got me going out of my head

'Cause you just won't listen to the words your heart just  
said

I know about you pass girl  
Please don't take it out of me

... it's so easy, it's so easy  
Promise that your heart and...  
If happiness is all you ever wanted  
Then nothing you should give me a chance

[Per Chorus:]

[Chorus:]

Tell em that you don't be what I feel  
And I begun girl  
Something ain't no but to place for me  
So be deep in love next to me  
I promise I'll take care of your heart  
You know you got me

Outta my head girl hey yeah

[Chorus:]
