So lets just admit  
It's been a beautiful run  
We've been to all the places where good love songs  
were sung  
We danced along the river banks  
And watched the sun set on certain parts of our lives

[chorus]

I would have sold my soul for a few more days of  
feeling alive  
But time would not let us go on forever  
And all that remains are the pieces we left behind  
The ones no one would stop to claim  
All the ones that meant the most to me

And I never wanted it to be like this, my darling  
And it wasn't supposed to be this way

[Chorus]

I would have sold my soul for a few more days of  
feeling alive  
But time would not let us go on forever  
And all that remains are the pieces we left behind  
The ones, the one, no one would stop to claim  
All the ones that meant the most to me

Yeah uh (Repeated various ways)

[chorus]

I would have sold my soul for a few more days of  
feeling alive  
And all that remains are the pieces we left behind (x2)  
The ones, the one that no one would stop to claim  
All the ones that meant so much to me.
