I?ve been hiding  
Inside myself  
Always wondering what  
You thought of me  
Somehow thinking  
That if you could  
See inside  
You?d know too much  
About me

I?ve been wondering  
If you?re worrying  
About the same things  
As me  
I decided  
Having tried it  
With all simplicity  
Say

Get up get up get up  
Keep on getting  
Getting up  
You got to find your light  
It?s the way choose  
Today it?s the only way  
To the path that will ease your mind  
And Shine

I?ve been trying to find myself  
Looking for the best that I can be  
Wont deny that  
It's sometimes hard  
But wont let it get the best of me

I?ve been wondering  
If you?re worrying  
About the same things  
As me  
I decided  
Having tried it  
With all simplicity

Say

Get up get up get up

Keep on getting

Getting up

You got to find your light

It's the way choose

Today it's the only way to ease your mind

And Shine
