Ooh no, ooh no

Ooh no,... callin' on the phone oh
I could tell by the... you're in... ooh
I could feel coming here every time that I hear that
song ooh no
Is something inside of me telling me not to believe at
all
It says that we can last forever but no

[Chorus:]

If I don't like my ears and tryin not to hear
I wouldn't even know I was the,
Sounds so good, so good, so good
Sounds so good, so good, so good

Go I'm a prisoner in my own home ooh
'Cause I know that is safer it was day alone, all alone
I could feeling coming near every time that I hear that
song no
Is something inside of em telling me not to believe at
all
It says that we can last forever but no

[Chorus]

If I don't like my... and tryin not to hear
I wouldn't even know I was the,
Sounds so good, so good, so good
Sounds so good, so good, so good
Everything that you say is got me thinking
I don't know it's too good to be true
I've been here before and I'm not tryin to go back down
that road
Carried ring but I'm rather be alone ooh
If I answer here will tell me that it knows
We can last forever but no

[Chorus]

Don't wanna hear it anymore

Anymore
This song sounds so good ooh
