They'll talk about it after dinner  
Over after dinner drinks  
Then tie it to the car's antenna  
And pray the sinking feeling shrinks

And if they make it to see monkey time  
It's difficult without a spine  
Like the yellow bellied jelly fish  
They'll try to sneak back into line

Erase it from all recall and clear it like the dinner plates  
It was autumn was it ever fall  
Could you tell me what this illustrates  
And you know me

They're gonna raise it or they'll post it  
While they're lowering the boom  
To paraphrase you're getting closer  
Might meet me in the dining room

I'll try going easy on you  
And try not to leave a scar  
Well oh, all right I'm sorry  
But not as sorry as you are

Erase it from all recall and clear it like the dinner plates  
It was autumn was it ever fall  
Could you tell me what this illustrates  
And you know me, I'm sugar free

It's the candy coated soft shoe  
In the land of sponge cake men  
That whine and dine on gingerbread  
Then they're passed out in the den

Erase it from all recall and clear it like the dinner plates  
It was autumn was it ever fall  
Could you tell me what this illustrates  
And you know me

I'm sugar free
