Is there something on your mind that you won't tell me?  
You haven't been yourself too much these days  
I guess I need to know that you still love me  
'Cause I'm afraid we're gonna go our seperate ways

If you tell me goodbye tell me tomorrow  
'Cause my heart can't take that kind of news today  
And am I a fool for believing  
That tomorrow everything will be okay?

Once upon a time you used to hold me  
We used to laugh and talk the whole night through  
But lately now it seems you're a million miles away  
Day by day I feel I'm losing you

If you tell me goodbye tell me tomorrow  
'Cause my heart can't take that kind of news today  
And am I a fool for believing  
That tomorrow everything will be okay?

If you tell me goodbye tell me tomorrow  
'Cause my heart can't take that kind of news today  
And am I a fool for believing  
That tomorrow everything will be okay?

And am I a fool for believing  
That tomorrow everything will be okay?
