From the album let's face it  
Well he was fueled by a lack  
  
Drew inspiration from a need  
  
So many problems to crack  
  
And mouths to feed  
  
Crooked was the path  
  
And brazen was the walk  
  
A cocky swagger, up the ladder  
  
And could he ever talk  
  
The last hurrah?  
  
Nah! I'd do it again  
  
The rascal king behind the bars  
  
Or the one in front of them  
  
The love of god  
  
And constant contradictions  
  
With just a smile, wink or nod  
  
What's stranger fact or fiction?  
  
And never ceasing to amaze  
  
On a regular basis  
  
First hand into his pocket  
  
Or first fist into the faces  
  
The last hurrah?

Nah! I'd do it again  
The rascal king behind the bars  
Or the one in front of them  
A legendary character  
When?  
Only then  
Where?  
Only there  
A hero or a hooligan?  
Well, that part's never clear  
Pride or shame, it's all the same  
Who's innocent or who's to blame?  
Politics or just a game?  
Well in the end they knew his name  
The last hurrah? nah! I'd do it again  
The rascal king behind the bars  
Or the one in front of them
