Stick that needle into your arm
Do anything that does you harm
See you lyin' there on the floor
See you staggerin' out at the door

[Refrain:]

You try it and you like it
And you know you can't take it
Until you realize that you couldn't escape it
Where you are, you don't know,
Till you're at the bottom with a nose full of blow
Don't know what you're doin' to me,
See you lyin' there so helplessly (hopelessly)

Get yourself back up, before it's too late
Or a life of pain will be your fate

You don't care about anyone,
Just as long as you have your fun
Or as long as you get your fix,
Now you're thinkin' of deep six

[Refrain]

Higher, baby, Get higher, baby, Get higher, baby
Don't, no! don't go, don't do it!!!

[Refrain]

What's at Stake, What's at Stake, What's at Stake
WHAT'S AT STAKE!!!!!!
