Similar to Jesus I am everywhere you go
But Jesus ain't got nothing on my funky fresh flow
At the mall my album spins in every store
As the virus spreads I get harder to ignore
Your weekend must suck since everyone you know is
Getting down and having fun at a Mohawk show
You don't understand so get on your mark
You are the dynamite and I am the spark

Chorus

I am the spark that will set you off and
I don't know what you're talking about so
Uncover your ears, you can't avoid this
Tell me the truth, are you annoyed yet? (x5)

I sit inside playing keyboard all day so
That must be how I ended up this way
It doesn't matter now if I get rich and make it
It's 2005 and it's easy to fake it
Close your eyes and turn off the TV
You might see another ad for my CD
It's simple to frustrate people like you
I gave you the instructions, you know what to do

Chorus

Are you annoyed yet? (x4)
