I'm too famous (x3)  
For you now

Mom don't even try to call  
I'm too busy writing songs  
I'm too famous (x4)  
Dad can't make me do my chores  
I don't wash dishes cause I'm hardcore  
I'm too famous (x4)

Thanksgiving Dinner and Christmas Eve  
None of this stuff means shit to me  
I don't eat turkey and I hate trees  
Cause I'm famous and too elite

Not even Grandma gets to know  
How to get tickets to my next show  
I'm too famous (x4)  
My uncle wants to hear my shit  
He thinks that I write number one hits  
I'm too famous (x4)

I'm too famous (x3)  
For you now

Goodbye family, goodbye pets  
If you're in doubt I'm taking bets  
I'll be in LA in three more years  
So enjoy your smokes and drink your beers  
You think it's dumb that I'm on stage but  
I'd rather do this than make minimum wage  
You don't understand 'cause you can't see  
I do this cause you don't like me
