After every show it's tomatoes galore
Something inside me says, "I can't do this anymore."
The mail that I get screams: NO NO NO NO
By the end of the night I'm ready to stop

Chorus
My darling fans (x3)
Buy all my stuff
My darling fans(x3)
I need money

Before every show it's autographs galore
Something inside me says, "Why don't I do this more?"
When I try to quit I get: NO NO NO NO
By the end of the night I'm ready to start

Chorus

Please buy more I need money
Please buy more I like money (x2)

Chorus
