Mighty Sparrow - Big Bamboo

I asked my woman what must I do, what must I do  
To make her honest and keep love too, and keep love  
too

She said Sparrow all I want from you, I want from you  
Is a little little piece baby, just a little little piece of the  
big bamboo

Well she's ready for, bamboo, grows out from the  
ground, bamboo

It's so big and strong, bamboo stand up straight and  
tall, bamboo

Please it's what I want bamboo, tadadada bamboo  
lalalala bamboo laladedada bamboo tadadada

The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars

The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars

I gave my woman a coconut , a coconut

She told me she thought, it was ok but, it is ok but

To my surprise she gave it back to me, right back to me

What good is the nut baby, tell me what good is the nut  
without the tree

Well she's ready for, bamboo, grows out from the  
ground, bamboo

It's so big and strong, bamboo, stand up straight and  
tall, bamboo

Please it's what I want, bamboo, tadadada bamboo  
lalalala bamboo laladedada bamboo

The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars

The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars

I gave my woman a sugarcane, a sugarcane

Very very sweet, I must explain, I must explain

And she gave it back much to my surprise, to my  
surprise

I love this flavour I really, really love this flavour but not

the size

Well she's ready for, bamboo, grows out from the  
ground, bamboo  
It's so big and strong, bamboo, stand up straight and  
tall, bamboo  
Please it's what I want, bamboo, tadadada bamboo  
lalalala bamboo laladedada bamboo  
dubydubydubydoo  
The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars  
The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars

Now ever since the world began, the world began  
Woman was always fooling man, fooling man  
And, but they found out women were always true,  
always true  
To the man then, who would jam them, when they really  
really would jam them  
With the big bamboo

Well they're ready for, bamboo, grows out from the  
ground, bamboo  
It's so big and strong, bamboo, stands up straight  
and tall, bamboo  
Please it's what I want bamboo, tadadada bamboo  
lalalala bamboo laladedada bamboo  
dubydubydubydoo  
The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars  
The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars

A Japanese came to America, to America  
For a woman he brought out Rockefeller Plaza,  
Rockefeller Plaza  
She said Hai Hai Hai no more Ari Ka Toh, Ari Ka Toh  
You show up me with your bridges,  
When I only want a few inches at the big bamboo

Well she's ready for, bamboo, grows out from the  
ground, bamboo  
It's so big and strong, bamboo, stands up straight  
and tall, bamboo  
Please it's what I want bamboo, tadadada bamboo  
lalalala bamboo laladedada bamboo tadadada  
The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars  
The big big bamboo bamboo lalalala lalalala lalala  
Working for the yankee dollars
