Sunday morning, praise the dawning
It's just a restless feeling by my side

Early dawning, Sunday morning
It's just the wasted years so close behind
Watch out, the world's behind you
There's always someone around you who will call It's
nothing at all
Sunday morning and I'm falling
I've got a feeling I don't want to know

Early dawning, Sunday morning
It's all the streets you crossed, not so long ago
Watch out, the world's behind you
There's always someone around you who will call It's
nothing at all
Watch out, the world's behind you
There's always someone around you who will call It's
nothing at all
Sunday morning
Sunday morning
Sunday morning
