My whip ain't equipt with butterfly doors
Stereo may not even play your Cd; and
The rims ain't gonna spin when we stop babe
But I swear we'll get where we wanna be

[Hook:]

Cause I juzs wanna be with u
And I don't care wut they say
We can run to the sun and forget this place
Where they'll only tear us down if we stay

[Chorus:]

So let's go baby hop in
Let's smash hit the gas no stoppin
To a place where our love can run freee
Tank full of gas pocket full of cash windows
Down and radios won't blast baby jus you nd me

I understand that my plan ain't perfect
Babe I dnt knw where we'll go I dnt care
Cause jus as long as were together we dnt
Ever have to worry about a thing I'm sure
That our love can get us there...

[Hook:]

Cause I juzs wanna be with u
And I don't care wut they say
We can run to the sun and forget this place
Where they'll only tear us down if we stay

[Chorus:]

So let's go baby hop in
Let's smash hit the gas no stoppin
To a place where our love can run freee
Tank full of gas pocket full of cash windows
Down and radios won't blast baby jus you nd me

[Bridge:]

And if they ask we won't say
A word we'll speed off and laugh as
We flip tha bird I don't give a dam we don't
Understand baby take my hand and don't look back

[Chorus]
