You make it sound so simple now
You take my hand and ask me to go
You dare me to be someone I don't know
You ask me for courage I can't show.

You make me drown in your smile
You make me fall in your arms
You make me stay a little while
You curse me with your careless charms

I'm no knight in shining armor
I'm no rich man with big dreams
Yet you make me feel like the world to you
Or maybe that's just how it seems

But when you put your hand on my chest
And you breathe to the beat of my heart
I am a hero way above the rest
Fighting dragons with magic arts

You make me drown in your smile
You make me fall in your arms
You make me stay a little while
You curse me with your careless charms

I'm no knight in shining armor
I'm no rich man with big dreams
Yet you make me feel like the world to you
Or maybe that's just how it seems

But when you put your hand on my chest
And you breathe to the beat of my heart
I am a hero way above the rest
Fighting dragons with magic arts

I am a hero way and that's what counts the most
