I walk up  
Up the stairs here 'cause I see you left the light on  
Hoping that I come in there and lye down by your side

Theres a hole down inside me  
You once filled  
Filled me all up  
In the dark of the night girl  
We whisper, "Forever  
Forever"  
But

(Where did we go)  
I lost you  
I lost you  
(Where did we go)  
I need it  
I need it  
(Where did we go)  
I lost you  
I lost you  
Oh  
(Where did we go)  
Can't go on without you  
Yeah

I walk in  
You're already sleeping so you can't hear me singing  
Girl I bet you we're dreaming  
Oh  
Do you still dream about me

Do you believe  
I still remember all that we said about surrendering to  
eachother  
Like we're lovers  
Forever  
Forever  
Forever  
But

(Where did we go)  
I lost you  
I lost you  
(Where did we go)  
I need it  
I need it  
(Where did we go)  
I lost you  
I lost you  
Oh  
(Where did we go)  
Can't go on without you  
Yeah  
Yeah

Can't go on without you  
Yeah  
Yeah

(Where did we go)  
We lost it  
We lost it  
(Where did we go)  
I need it  
I need it  
(Where did we go)  
I lost you  
I lost you  
Oh  
(Where did we go)  
Can't go on without you  
Yeah  
Yeah

Can't go on without you  
Yeah  
Yeah

(Where did we go)  
I lost you  
I lost you  
(Where did we go)  
We need it  
We need it  
(Where did we go)  
I want you  
I want you  
Oh  
(Where did we go)  
I can't live without you  
Yeah

Yeah

I can't live without you

Yeah
