I'm keeping your smile on my mind every day,
I'm feeling your touch on my face even while you're
away
Like when was together in that dream that could have
been so right, yeah!
Like when was together in that dream that could have
been so right

Tornero, tornero
La mia vita ti daro
Tornerai, tornerai
Mia per sempre tu sarai

Tornero, tornero
La mia vita ti daro
Tornerai, tornerai
Mia per sempre tu sarai

I wonder why I should feel so empty these days
I wonder why I should fall now while you're away
We'll dance together in that dream that could have
been so right, yeah!
We'll dance together in that dream that could have
been so right

Tornero, tornero
La mia vita ti daro
Tornerai, tornerai
Mia per sempre tu sarai

I'm keeping your smile in my mind,
I'm feeling your touch on my face
I just really miss you
When I wanna kiss you
When I wonder why, why I didn't know
When I wonder why I didn't know
Oh, Oh, Oh, Oh, Oh!

Tornero, tornero
La mia vita ti daro
Tornerai, tornerai
Mia per sempre tu sarai

Tornero, tornero
La mia vita ti daro
Tornerai, tornerai
Mia per sempre tu sarai
