You couldn't understand
How to be bold
Now do we feel safe?
How should I know?
Different strangers
Blind to dangers
Where are you?
You're gone without a clue

[Chorus:]
We've come so far
Change the way things are
You know me
So that's a start
We've come so far
To be where we are
You know me

Pushed back down
As that fabric
Intertwines me
I'd never know that
(He he) you would find me
Different places
With different faces
Where are you
Because I feel brand new?

[Chorus]

Why can't you ever just see?
Sometimes it's things you do
But it's just not me
Because I don't think
We're done, we are through

[Chorus]
