For me it took years
To wipe away
The tears in your eyes
And see the stars in them
Reflecting down
From a midnight sky
And then I found
A reason why
These feelings
Make me want to cry
To know if you were
To die again
I'd follow you
Into a midnight sky

[Chorus:]
Midnight sky
Questions why
Midnight sky
Reflections in my eyes

Unexplained feelings inside
That I can no longer hide
You are the reason why
I live my whole life
No question why

[Chorus]
Give me one chance
To make it right
So that
You're not alone tonight
It's a strange thing
That you couldn't see
One day you'll be set free
Before I go
Now you should know
That I would follow you

[Chorus 2x]
