In any other world
You could tell the difference
And let it all unfurl
Into broken remnants

Smile like you mean it
And let yourself let go

'Cause it's all in the hands of a bitter, bitter man
Say goodbye to the world you thought you lived in
Take a bow, play the part of a Lonely, lonely heart
Say goodbye to the world you thought you lived in
To the world you thought you lived in

I tried to live alone
But lonely is so lonely, alone
So human as I am
I had to give up my defenses

So I smiled and tried to mean it
To make myself let go

'Cause it's all in the hands of a bitter, bitter old man
Say goodbye to the world you thought you lived in
Take a bow, play the part of a lonely, lonely heart
Say goodbye to the world you thought you lived in
To the world you thought you lived in

'Cause it's all in the hands of a bitter, bitter old man
Say goodbye to the world you thought you lived in
Take a bow, play the part of a lonely, lonely heart
Say goodbye to the world you thought you lived in
To the world you thought you lived in

Say goodbye to the world you thought you lived in [x2]
Say goodbye

In any other world
You could tell the difference

[Spoken]
"I never ever, I forget my story."

My face is no sad, but inside, I am sad."
