I want the world to celebrate

I wanna come home
To the only place I know
Where the trees I planted grow
I wanna come home

Once I get up I feel better
And I put myself together
I remember those two letters
It will be O-K

Everyone says now or never
I say only if it's better
Be a night like this forever
We know better

I want the world to celebrate
I want the world to celebrate
I want the world to celebrate
I want the world to celebrate

I'll be just fine
When I see you at the finish line
Doesn't matter if I take my time
I'm coming home

Once I get up I feel better
And I put myself together
I remember those two letters
It will be O-K

Everyone says now or never
I say only if it's better
Be a night like this forever
We know better

I want the world to celebrate
I want the world to celebrate
I want the world to celebrate
I want the world to celebrate

I'm not mad at you at all
But I want the whole world to celebrate
Yeah
Mmmmm

Right about now it's time for everybody to stand up
Stand up, stand up
And have fun
Cause we just begun

I want the whole world to celebrate
Let's go

Once I get up I feel better
And I put myself together
I remember those two letters
It will be O-K

Everyone says now or never
I say only if it's better
Be a night like this forever
We know better

I wanna go home
And celebrate
I wanna go home
And celebrate
I wanna go home
And celebrate
I wanna go home
And celebrate

I want the whole world to celebrate
