"Erase"

I shouldn't have called so late last night
Unsecure, out of my mind
I shouldn't have left that message on your phone

I shouldn't have said the things i said
Lookin for love we left for dead
In a grave without a stone

As soon as you hear my voice
Don't hesitate
Put your finger on the button

Erase my love
I bet you can't erase my touch
You're tryin' to replace
A feelin' without a name
With somebody else's face
In your head

Everything's cool
The rent is paid
The house is clean
Your bed is made
But it's a ghost town in your mind

You never had time to go to sleep
We'd wake up tangled in the sheets
On a bed that we called home

When the pain won't go away
You might as well put your finger on the trigger

Erase my love
I bet you can't erase my touch
You're tryin' to replace
A feelin' without a name
With somebody else's face
In your head.

Erase...

Erase...

My love
I bet you can't erase my touch
Coz you're tryin' to replace
A feelin' without a name
With somebody else's face
In your head
Erase...

Erase...

Tryin' to replace
A feelin' without a name
With somebody else's face
In your head

Erase...
