This is the way you left me,
Iâ€™m not pretending,
No hope, no love, no glory,
No happy ending

This is the way that we love,
Like it's forever,
Then live the rest of our life,
But not together
I Wake up in the morning,
Stumble on my life,
Canâ€™t get no love without sacrifice,
If anything should happen,
I guess I'd wish you well,
Mmm a little bit of heaven,
But a little bit of hell.

This is the hardest story,
That I've ever told,
No hope, no love, no glory,
Happy endings gone forever more
I feel as if Iâ€™m wastin',
And I'm wastin' everyday

This is the way you left me,
Iâ€™m not pretending,
No hope, no love, no glory,
No happy ending

This is the way that we love,
Like it's forever,
Then live the rest of our life,
But not together

Two O'clock in the morning,
Something's on my mind,
Canâ€™t get no rest,
Keep walking around,
If I pretend that nothing ever went wrong,
I can get to my sleep I can think that we just carried on

This is the hardest story,

That I have ever told,
No hope, or love, or glory,
Happy endings gone forever more,
I feel as if Iâ€™m wastin',
And I'm wastin' everyday

Oh I feel as if Iâ€™m wastin',
And I'm wastin' every day

This is the way you left me,
Iâ€™m not pretending,
No hope, no love, no glory,
No happy ending

This is the way that we love,
Like it's forever,
Then live the rest of our life,
But not together

A little bit of love

Little bit of love (repeated)
This is the way you left me,
Iâ€™m not pretending,
No hope, no love, no glory,
No happy ending

This is the way that we love,
Like it's forever,
Then live the rest of our life,
Both not together
This is the way you left me,
Iâ€™m not pretending,
No hope, no love, no glory,
No happy ending

This is the way that we love,
Like it's forever,
Then live the rest of our life,
But not together

This is the way you left me,
Iâ€™m not pretending,
No hope, no love, no glory,
No happy ending

This is the way that we love,
Like it's forever,
Then live the rest of our life,
But not together

Over my shoulder, running away,
Feels like i'm falling, losing my way,

Cold and dry,
Cold and dry.

Fog out my daylight, torture my night,
Feels like i'm falling, far out of sight,

Cold,
Drunk,
Tired,
Lost.

Over my shoulder, running away,
Feels like i'm falling, losing my way,

Cold, dry,
Cold and dry.

Fog out my daylight, torture my night,
Feels like i'm falling, far out of sight,

Cold,
Drunk,
Cold and drunk.
