The kids in they hundreds tomorrow will march through the dawn  
They're fighting someone this is war  
There are so many stories to tell  
In exchange for the heroes, farewell  
I wish I could, I wish I could make you return  
And what if I'll neverâ€¦as you walk to the toll of the bell  
You'll be fighting for our heaven with hell  
And you don't understand  
While no one else can see

Should you bail out on me, I'ma bail out on you  
Put someone â€¦you leave, the only thing I wouldn't do

And you know, heroes aren't meant to survive  
So much harder to love when life  
Woke with the devil in your hand  
You're think you're better off dead  
And you don't understand  
While no one else can see

Should you bail out on me, I'ma bail out on you  
Put someone â€¦you leave, the only thing I wouldn't do  
We can â€¦ fire, fire, fire away  
When you need, fire, fire, fire away  
If I'd be everyâ€¦ to love, I'd threw it all for heroes fallen

I wish there was a way, to give you a hand to hold  
Cause you don't have to die in your glory  
Die too never of old

Should you bail out on me, I'ma bail out on you  
Put someone â€¦you leave, the only thing I wouldn't do  
We can â€¦ fire, fire, fire away  
When you need, fire, fire, fire away  
If I'd be everyâ€¦ to love, I'd threw it all for heroes fallen.
