Walks in to the room
See she's a big balloon
I said, 'Hey girls you are beautiful'
Red shoes red glasses please
Red glass going on my knees
Singing 'Hey Betty you are beautiful'

You take on fashion girls
Feel like I'm gonna die
Cos a writer woman
Needs a wrote man here's why

They threw us there
When Nancy walk through the door
But if you show her love
She'll shoo you so much more

Hey Betty you are beautiful
Hey Betty you are beautiful
Hey Betty you are beautiful
Hey Betty you are beautiful

Walks in to the room
Feels like a big balloon
I said, 'Hey girls you are beautiful'
Diet coke and a pizza please
Diet coke I'm on my knees
Screaming 'Big girl you are beautiful'

You take your girl
And multiply her by four
Now a whole lotta woman
Needs a whole lot more

Get yourself to the Butterfly Lounge
Find yourself a big lady
Big boy coming around
And there we gonna do baby

No need to fantasise
Since I was in my prizes
A watering hole

With the girls around
And curves in all the right places

Hey Betty you are beautiful
Hey Betty you are beautiful
Hey Betty you are beautiful
Hey Betty you are beautiful

Get yourself to the Butterfly Lounge
Find yourself a big lady
Big boy coming around
And there we gonna do baby

No need to fantasise
Since I was in my prizes
A watering hole
With the girls around
And curves in all the right places

Hey Betty you are beautiful
Hey Betty you are beautiful
Hey Betty you are beautiful
Hey Betty you are beautiful
