I'm sitting across from you
I'm watching everything you do
You don't know, you don't know me, at all

My head is above the cloud
Sun rising, they don't meet mine
but I'm dreaming, I'm dreaming of you now

If I told you, what would you do?
Would you make me look like a fool?

I'm falling in love with you
and I'm dreaming of the things we'd do
but you don't know, you don't know me, at all

Full fear of what you might do
I say nothing but look at you

and my heart is, my heart is over you

What am I suppose to do?
Would you make me look like a fool?

Im sitting across from you
You don't know just what I do
But Im dreaming, Im dreaming of you now

Im falling in love with you
But you're dreaming of what I do
When Im falling,
Im falling over now
