"Instant Martya"

She's an instant martya
A drama queen
she gets up like a style
cries like she used to
Walking around with this heir of a queen,
She doesn't knows what she wants
Knows how to use you...

(Oh)
Where are the stars up in the sky ,
isn't there hope for you and I, my darling?

I am so intolerably blue
At the thought of leaving you, my darling,
Honey pie.

(Ooh)
It's in her eyes
(sugar)
Gonna get you down
(Ooh)
It's no surprise
(lover)
Come around

She's the cream of the crop,
She's the cropper of the cream,
She's the turn of your life,
One in a million.
Walking around with this heir of a queen.
She doesn't knows what she wants

Knows how to use you now!

Oh,
where are the stars up in the sky
When you need them;
when you need them?
I am so intolerably blue
Just at the thought of leaving you, my darling,
Sugar pie .

(Ooh)
It's in her eyes
(sugar)
Gonna get you down
(Ooh)
It's no surprise
(lover)
When you Come around

She's staring at you (sugar)
Gonna get you down
She's looking so cruel (lover)
When you're coming around

Here comes the sun, little darling
Here comes the sun.
and here comes the sun, little darling
and here comes the sun.
