We are young
We are strong
We're not looking for where we belong

We're not cool
We are free
And we're running with blood on our knees

We could rule the world
On a silver platter
From the wrong to the right light
To an open stream

With a crash and burn
We could make it better
Turn it upside down
Just you and me

We are the dream
No other way
To be

We are young
We are strong
We're not looking for where we belong

We're not cool
We are free
And we're running with blood on our knees

I could change the world
I could make it better
Kick it up and down
Take a chance on me

When you fake a smile
And you think you're better
Gonna put it down
Rip (?) it at your feet

No bridge to burn
Nowhere to turn

For me

We are young
We are strong

We're not looking for where we belong

We're not cool
We are free
And we're running with blood on our knees

We are young
We are strong
We're not looking for where we belong

We're not cool
We are free
And we're running with blood on our knees

What do they know about us?
Are they thinking of somebody else?
Are they wondering what we might be?
Are they thinking of you or of me?

We are young
We are strong
We're not looking for where we belong

We're not cool
We are free
And we're running with blood on our knees

We are young
We are strong
We're not looking for where we belong

We're not cool
We are free
And we're running with blood on our knees

We are young
We are strong
We're not looking for where we belong

We're not cool
We are free
And we're running with blood on our knees
