People always make me crazy
Love me last, don't love me maybe
What's the point in singing silly love songs?
Who do they think they are to tell us?
Make me sad and make my jealous
Don't believe a word cos they are so wrong

Lola, Lola

Oh sex and lies and mystery
They don't bring out the best in me
Keep jumping from one lover to another
Friend or foe the time will tell you
But do not make a mess of me (?)
I made the same mistake over and over

(Oh) Lola, I've made up my mind
And I'm not going to fall in love this time (x2)

Lola, oh Lola

Oh why pretend to be so jaded
It's so easy just to hate it
Everyone can love you for a dollar
But when you find your lust for real
You'll beg and borrow, cheat or steal
Trying to get some money just to call her

(Oh) Lola, I've made up my mind
And I'm not going to fall in love this time (x2)

Like a fish out of water
It picks you up and it puts you down
Why do we even bother
When there's only one way out
And we both know it, Lover

(Oh) Lola, I've made up my mind
And I'm not going to fall in love this time (x2)

Oh you could stop it if you try
Love makes you laugh, it makes you cry

The oldest game in history, repeating. (x2)

Oh Lola

Oh Lola baby it's just another love song (x2)

Oh Lola, I've made up my mind

And Lola baby it's just another love song (x2)

(Lola, lololollala lalala)
