"Lover Boy"

Isn't it enough
Isn't it enough just to be wild and free?
Caught up in the rough
Caught up in the rush of life, staring at me
You think you're in love, boy
But you don't ever know what love is
You think you're in love, girl
But honey, let me show you where your heart is

Lover boy
It's just illusion to me
You could take any boy
I'd show you what you would feel
A pretty boy with a nasty trait
A funny boy with an ugly face
Love is just a cautionary, momentary, reactionary lie

Love is just a cautionary, momentary, reactionary lie

Isn't it enough
Isn't it enough just to be sunny and dumb?
Aren't you tired of hooking up,
Sick of breaking up
Oh, you fool
You've did it for fun
You think you're in love, girl
But you don't really know what love is
You think you're in love, boy
But honey, let me show you where your heart is

Lover boy
It's just illusion to me
You could take any boy
I'd show you what you would feel
A pretty boy with a nasty trace
A funny boy with an ugly face
Love is just a cautionary, momentary, reactionary lie

Lover boy
It's just illusion to me

You could take any boy
I'd show you what you would feel
A pretty boy with a nasty trait
A funny boy with an ugly face
Love is just a cautionary, momentary, reactionary lie

Love is just a cautionary, momentary, reactionary lie

Lover boy
It's just illusion to me
You could take any boy
I'd show you what you would feel
A pretty boy with a nasty trait
A funny boy with an ugly face
Love is just a cautionary, momentary, reactionary lie

Love is just a cautionary, momentary, reactionary lie

Love is just a cautionary, momentary, reactionary lie
