Loverbody

(Ohh)

Any boy

(Ohh)

Isn't it enough, isn't it enough just to feel wild and free?

(Ohh)

Caught up in the rough, caught up in the rough of life,
lookin' at me

(Ohh)

You think you're in love, boy

But you don't really know what love is

You think you're in love, girl

But honey, let me show you where your heart is

Loverboy, it's just an illusion to me

Any boy, I'd show you what you would feel

A pretty boy with a nasty trace

A funny boy with an ugly face

Love is just a superficial reaction

Isn't it enough, isn't it enough just to feel wild and free?

(Ohh)

Caught up in the rough, caught up in the rough of life,
lookin' at me

(Ohh)

You think you're in love, boy

But you don't really know what love is

You think you're in love, girl

But honey, let me show you where your heart is

Loverboy, it's just an illusion to me

Any boy, I'd show you what you would feel

A pretty boy with a nasty trace

A funny boy with an ugly face

Love is just a functionary, momentary cautionary

Loverboy, it's just an illusion to me

Any boy, I'd show you what you would feel

A pretty boy with a nasty trace

A funny boy with an ugly face
Love is just a superficial reaction
