"Origin Of Love"

Love is a drug and you are my cigarette
Love is addiction
And you are my Nicorette
Love is a drug, like chocolate, like cigarettes
I'm feeling sick, I've got to medicate myself

I want your love, don't try to stop me
Can't get enough, still hanging off me
Your guilty heart, don't let it break you
And if you pray, well, no one's gonna save you

Like everyone that you fear and everything you hold
dear
Even the book in your pocket
You are the sun and the light you are the freedom I
fight
God will do nothing to stop it
The origin is you
You're the origin of love

Well if God is a priest and the devil a slut
Well, that's a reason for nothing
Like every word that you preach
Like every word that you teach
With every rule that you breach
You know the origin is you

From the air I breathe
To the love I need
Only thing I know you're the origin of love
From the God above to the one I love
Only thing that's true the origin is you

Like stupid Adam and Eve they found their love in a
tree
God didn't think they deserved it
He taught them hate taught them pride
Gave them a leaf made them hide
Let's push their story aside
You know the origin is you

From the air I breathe
To the love I need
Only thing I know you're the origin of love
From the God above to the one I love
Only thing that's true the origin is you

Some love's pill, some love is a candy cane
It tastes so sweet but leaves you sick with pain
Your love is air I breathe it in around me
Don't know it's there but without it I'm drowning

Love, you're the origin of love
You're the origin of love
You're the origin of love love love love

Thank god that you found me
Thank god that you found me
Thank god that you found me
