La la, la la  
You were the popular one, the popular chick  
It is what it is, now I'm popular bitch  
Standing on the field with your pretty pompons  
Now you're working at the movie selling popular corn  
I could have been a mess but I never went wrong  
Cause I'm putting down my story in a popular  
Said I'm putting down my story in a popular

[Chorus]  
My problem, I never was a model,  
I never was a scholar,  
You were always popular,  
You were singing, all the songs I don't know  
Now you're in the front row  
Cause my song is popular

Popular, I know about popular  
It's not about who you are or your fancy car  
You're only ever who you were  
Popular, I know about popular  
And all that you have to do, is be true to you  
That's all you ever need to know  
Catch up, cause you got an awful long way to go  
Catch up, cause you got an awful long way to go

I was on the lookout for someone to hate  
Picking on me like a dinner plate  
I'd hit during classes, and in between them  
Dunk me in the toilet sound to that cleans  
You tried to make me feel bad with the shit you do  
It ain't so funny when the joke's on you  
Uh, the joke's on you  
And everyone's laughing, got everyone clapping,  
asking  
How come you look so cool?  
Cause that's the only thing that I've learned at school  
So that's the only thing I've learned at school

[Chorus]  
My problem, I never was a model,

I never was a scholar,  
You were always popular,  
You were singing, all the songs I don't know  
Now you're in the front row  
Cause my song is popular

Popular, I know about popular  
It's not about who you are or your fancy car  
You're only ever who you were  
Popular, I know about popular  
And all that you have to do, is be true to you  
Catch up, cause you got an awful long way to do  
Catch up, cause you got an awful long way to go

Before the next time that you calling me crazy  
Lazy, a faggot, or that,  
Here's the one thing that's so amazing  
It ain't about that to be a looser baby  
All you ever need to know  
You're only ever who you were  
All you ever need to know  
You're only ever who you were  
Popular, I know about popular  
It's not about who you are or your fancy car  
You're only ever who you were  
Popular, I know about popular  
And all that you have to do, is be true to you.
