"Same Jeans"

I've had the same jeans on for four days now,
I'm gunna go to a disco in the middle of the town.
Everybodys dressing up i'm dressing down,
Mmmmm Mmm Mmmmm Mmm.

Oh life's one big circle but it doesn't end,
When it ends would you still be my friend.
Oh i'm not making a fool of myself,
I said oh i am making a fool of myself.

So, when you look in the mirror,
Reflecting back at you someone that you don't know.
That's just made your head spin around,
So get yourself together get your feet back on the
ground.

I've had the same jeans on for four days now,
I'm gunna go to a disco in the middle of the town,
Everybodys dressing up i'm dressing down,
Ohh.

I take my hat of to the busker man,
For drowning his sorrows and singing his songs.
Not everything has worked out to plan,
but believe me hes smiling as long as he can.

So, when you look in the mirror,
Reflecting back at you someone that you don't know.
That's just made your head spin around,
So get yourself together get your feet back on the
ground.

Ahhh haaa, badadobadovaaa,

Rem fuller usher on forty-five,
i said a rem fuller usher on forty-five.
Put on my blue suede shoes and i boarded the plane,
Touched down in the land of the Delta Blues in the
middle of the pouring rain.

So, when you look in the mirror,
Reflecting back at you someone that you don't know.

That's just made your head spin around,
So get yourself together get your feet back on the
ground.

I've had the same jeans on for four days now,
I'm gunna go to a disco in the middle of the town.
Everybodys dressing up i'm dressing down,
Zabdedoh, for four days now.
