[Mika's cover of Dave Matthews Band's song]

Satellite in my eyes

Like a diamond in the sky

How I wonder.

Satellite strung from the moon

And the world your balloon

Peeping tom for the mother station

Winters cold spring erases

And the calm away by the storm is chasing

Everything good needs replacing

Look up, look down all around, hey satellite

Satellite, headlines read

Someones secrets you've seen

Eyes and ears have been

Satellite dish in my yard

Tell me more, tell me more

Who's the king of your satellite castle?

Winters cold spring erases

And the calm away by the storm is chasing

Everything good needs replacing

Look up, look down all around, hey satellite

Rest high above the clouds no restrictions
Television we bounce round the world
And while I spend these hours
Five senses reeling,
I laugh about the weathermans satellite eyes.
Satellite in my eyes
Like a diamond in the sky
How I wonder.
Satellite strung from the moon
And the world your balloon
Peeping tom for the mother station
Winters cold spring erases
And the calm away by the storm is chasing
Everything good needs replacing
Look up, look down all around, hey satellite
Rest high above the clouds no restrictions
Television you bounce from the world
And while I spend these hours
Five senses reeling
I laugh about this world in my satellite eyes.
