Love is a drug and you are my cigarette  
Love is addiction and you are my Nicorette  
Love is a drug, like chocolate, like cigarettes  
I'm feeling sick, I've got to medicate myself

I want your love, don't try and stop me  
Can't get enough, still hanging on me  
Your guilty heart, don't let it break you  
And if you pray, well, no one's gonna save you

Like everyone that you fear  
And everything you hold dear  
Even the book in your pocket  
You are the sun and the light  
You are the freedom I fight  
God will do nothing to stop it

The origin is you  
You're the origin of love

Love is a drug and you are my cigarette  
Love is addiction and you are my Nicorette  
Love is a drug, like chocolate, like cigarettes  
I'm feeling sick, I've got to medicate myself

Well if God is a priest and the devil a slut  
Well there's a reason for nothing  
Like every word that you preach  
Like every word that you teach  
With every rule that you breach  
You know the origin is you

From the air I breathe  
To the love I need  
Only thing I know  
Is you're the origin of love  
From the God above  
To the one I love  
Only thing that's true  
The origin is you  
(x2)

Madre Deus Deus machismo  
Madre Deus Deus machismo  
Dio de madre Deus machismo  
Deus eso santo spirito

Like stupid Adam and Eve  
They found their love in a tree  
God didn't think they deserved it  
He taught them hate, taught them pride  
Gave them a leaf, made them hide  
Let's push their stories aside  
You know the origin is you

From the air I breathe  
To the love I need  
Only thing I know  
Is you're the origin of love  
From the God above  
To the one I love  
Only thing that's true  
The origin is you  
(x2)

Some love's a pill and some love is a candy cane  
It tastes so sweet but leaves you feeling sick with pain  
Your love is air, I breathe it in around me  
Don't know it's there but without it I'm drowning

Love  
You're the origin of love  
You're the origin of love, love, love, love, love  
You're the origin of love, love, love, love, love (repeat)  
Thank God that you found me  
Thank God that you found me  
Thank God that you found me  
Thank God that you found me
