Oto wo nakushite blue no sekai wo
Tada samayoi aruki tsudukete
Iro wo nakushite aware na ATASHI wa
Oreta tsubasa de mune wo tsuku

Mitsumete iru no wa kagayaku frozen moon

Kudakechiru yasashii te de kono karada
Dakishimete nagusamete yo itsu no hi ka
Hitomi no oki haritsuite ru
Kioku no nami ANATA no kage
Doko?

Saki no mie nai jouheki wo hitori
Tada hitasura nobori tsudukete
Yami ni nagedasu jikan no kagiteba
SAIRENSAA de uchi nuita

Oboreru ATASHI no negai wa todoku no?

Hari sakeru ATASHI no KOA chuu ni mau
Toozakaru toki no kanata darkness in the sky
Mune no naka ni haritsuite ru
Kioku no nami ANATA no kao

Kudakechiru yasashii te de kono karada
Dakishimete nagusamete yo itsu no hi ka
Anata wa dare? Anata wa dare?
Chanto kotaete anata wa doko?
Watashi wa doko?
