You live on an island
In a field of opium
I hear a rooster
As I wake I see your eyes
You like arbutus trees
So do I

This is not right or wrong
It's just the better
Better of us
That shines on through
Whatever we share
It's just the better
Better of us

You follow the sea shells
They lead you in the dark
Your halls are lined with
Freedom for the mind
I think you're lonely
So am I, so am I

This is not right or wrong
It's just the better
Better of us
That shines on through
Whatever we share
It's just the better
Better of us

The moment awaits
But it's in your soul
Freedom awaits
But it's in your mind
I found salvation
In the land of sin

This is not right or wrong
It's just the better
Better of us
That shines on through
Whatever we share

It's just the better
Better of us

Better of us
Better of us
