I ride the road, the longest road  
I see the signs, I feel the lies  
Blindin' me  
Revolution is what I need  
Evolution is it real or  
Convolution

I'm building a tower  
By the hour  
The higher I go  
The more I can see  
I need clarity

I'll say what I need, I'll say what I feel  
I'll say what I believe, I'll give you my seed  
Let go of the fear, swallow the tears  
I'll give you my blood, I'm lost in the flood  
Lost in the flood

The more I learn, the less I know  
The faster I run, the more it hurts  
When I hit the wall  
Is it blasphemy, what I believe?  
Is it honesty, all I feel and breathe?

I'm building a tower  
By the hour  
The higher I go  
The more I can see  
I need clarity

I'll say what I need, I'll say what I feel  
I'll say what I believe, I'll give you my seed  
Let go of the fear, swallow the tears  
I'll give you my blood, I'm lost in the flood  
Lost in the flood

Everyone rides, on one is real  
Everyone tries, nothing is real  
Someday I'll rise... someday I'll rise

I'll say what I need, I'll say what I feel

I'll say what I believe, I'll give you my seed  
Let go of the fear, swallow the tears  
I'll give you my blood, I'm lost in the flood  
Lost in the flood  
Lost in the flood  
Lost in the flood
